

**0.1" Spacing T.H. with 0.05" offset
(201-0001-01)-Top Side**

0.1" Spacing T.H. with 0.05" offset
(201-0001-01)-Bottom Side

201-0001-01 T.H. 0.1" SPACING WITH 0.05" OFFSET, 2" X 2" GRID

- ??100% support of the through-hole components with the 0.1" spacing pitch.
- ??12 ground holes are connected a copper plane on the bottom side.
- ??Components such as capacitor, resistor, diode, inductor, crystal, headers, jumpers, fuse, transistors, voltage regulators, DIP IC 70 pins or sockets, DIP switches, relay, RJ11, RJ45 connector...etc. are supported.
